Contents

List of manuscripts	II
List of relevant abbreviations	III
Chapter 1: Prolog	1
Chapter 2: Adequate supply of potassium improves plant water-use efficiency but not leaf water-use efficiency of spring wheat	19
Chapter 3: Quantitative limitations to photosynthesis in K deficient sunflower and their implications on water-use efficiency	55
Chapter 4: Scale-dependent evaluation of the beneficial effects of potassium fertilization on water-use efficiency of field grown sugar beet	91
Chapter 5: Epilog	121
Summary	137
Further publications	139
Acknowledgements	141
CV	143
