Abstract.....	5
List of Figures	7
List of Tables.....	8
1. Introduction	9
1.1 The Extend of the Work.....	9
1.2 Objectives of the Thesis.....	9
1.3 Document Outline	12
2. Methodology and Technique	12
2.1.1 General Discussion for Methods Selection	12
2.1.2 Agile Software Development	15
2.2 PHP and MySQL.....	17
2.3 Adobe Photoshop CS 5 and Adobe Dreamweaver CS 5	18
2.4 Barcode Reader	18
3. Business Requirements	19
3.1 Project Goal, Objectives, and Scope	19
3.2 Background	19
3.3 Business Analysis Process	20
3.4 Stakeholders	21
3.5 Business-level Requirements	21
3.6 User Requirements	21
3.7 Functional Requirements	22
3.7.1 Administration View.....	23
3.7.2 Customer View	23
3.8 Nonfunctional Requirements	24
3.9 Reporting.....	25
3.10 Dependencies	25
3.11 Constraints	25
3.12 Risk Identification, Management, and Escalation	25

4. Database Design	27
4.1 Tables Explanation	27
4.2 Tables Description	27
5. Site Structure and Wireframing Design	59
5.1 Site Structure Explanation	59
5.2 Site Structure Description	59
5.3 Site Wireframing	76
6. Site Navigation and Browsing	85
7. Testing	91
8. Discussion	92
Why did I need an extra month? - A “hole” in project plan.	92
9. Conclusion	93
10. References	94
Books.....	94
E-Learning.....	95
Web services: Documentation and Tutorials	97
Web services: Tools.....	98
11. Appendices	98
11.1 English – German Translation Terms	98
11.2 Project Change Request Form	102
11.3 Project Charter	103
11.4 Project Assessment Form	104
11.5 Example Barcodes for Testing Database – Hardware	106
11.6 Example Barcodes for Testing Database – Software.....	106
11.7 Project Plan	106
