
Table of Contents

1. Introduction.....	1
2. List of Publications	3
3. List of Abbreviations	5
4. Scientific Background.....	7
4.1. Intestinal anatomy and function.....	7
4.1.1. Macroscopic anatomy.....	7
4.1.2. Small and large intestinal vascularisation.....	8
4.1.3. Microscopic anatomy	8
4.1.4. Intestinal motility	10
4.2. Intestinal ischaemia	11
4.2.1. Intestinal lesions associated with intestinal ischaemia	11
4.2.2. Pathophysiology	12
4.2.2.1. Obstruction of intestinal blood flow	12
4.2.2.2. Mechanism of ischaemic injury	14
4.2.2.3. Intestinal reperfusion.....	15
4.3. Diagnosis of ischaemic injury	16
4.3.1. Clinical viability assessment	17
4.3.2. Histological assessment	17
4.3.2.1. Biopsy techniques and tissue processing	17
4.3.2.2. Quantification of Injury	19
4.3.3. Real-time ancillary diagnostics	20
4.3.3.1. Perfusion assessments.....	20
4.3.3.2. Oxygenation assessments.....	21
4.3.3.3. Other viability assessment techniques	22
4.4. Treatment of intestinal ischaemia.....	23
4.4.1. Intestinal resection and anastomosis	23
4.4.2. Ancillary treatment strategies	24
4.4.2.1. Medical treatments for ischaemic injury.....	24
4.4.2.2. Ischaemic conditioning.....	25
5. Concept and Aims	27
6. Summary of Results	29

6.1. Pathophysiology	29
Publication 1	29
Publication 2	30
Publication 3	31
6.2. Diagnosis	32
Publication 4	32
Publication 5	33
Publication 6	34
Publication 7	35
Publication 8	36
6.3. Treatment	37
Publication 9	38
Publication 10	38
Publication 11	39
Publication 12	40
7. Overall Discussion	43
7.1. Intestinal blood flow during ischaemia.....	44
7.2. Intraoperative Diagnostics.....	47
7.3. Treatment of ischaemic injury	51
7.4. Clinical implications	54
7.5. Future directions.....	56
8. Summary	59
9. Zusammenfassung.....	63
10. References.....	67
11. Author contributions	99
12. Acknowledgements	105
Appendix I – Publication 1.....	107
Appendix II – Publication 2.....	127
Appendix III – Publication 3.....	141
Appendix IV – Publication 4	151
Appendix V – Publication 5	169

Appendix VI – Publication 6	181
Appendix VII – Publication 7	191
Appendix VIII – Publication 8	201
Appendix IX – Publication 9	213
Appendix X – Publication 10	231
Appendix XI – Publication 11	247
Appendix XII – Publication 12	259
