Assessment Of Fish Farmers' Perception Of Climate Change
And Adaptation Strategies In Nigeria: Osun State Experience. 1
Adesoji S.A and A.J. Farinde

Grain Insect-Pest Disinfestations In A Situation Of Climate Change: Towards Adoption Of
Gender Responsive Postharvest Technologies For Sustainable Agricultural Development In Nigeria.16
O. F. Deji, R. Vadivambal, N. D. G. White, D. S. Jayas

Evaluation And Data Interpretation To Rainfastness Of Foliar-Applied Agrochemicals.....31
Mauricio Hunsche and Georg Noga

Assessment Of Lagosians' Perception Of Climate Change As A Public Health Concern.....41
Kalesanwo, O. O. Fatona, P. Olugbenga, Musah, K. Toyina

Important Engineering Issues In The Post Harvest Technology And Quality Assurance For Fruits
And Vegetables In Africa.....53
B. A. Adewumi

Climate Change, Agricultural Productivity And Biotechnological Implications
In South- Western Nigeria.....63
R. Kassali

Agriculture And Weather Variability: How Local Farmers Mitigate Climate Shocks
In South-Western Nigeria.....76
**Kolawole, Oluwatoyin Dare; Agboola, Abiodun Folarin; Okorie,
Victor Ogbonnaiya; and Ojubanire, Michael**

Application Of Probiotics In Aquaculture: Alternative To Use Of Antibiotics: A Review.....89
Nwanna, L. C

The Impact Of Climate Change On Human Security: A Case Study Of Nigeria.....103
Danjuma D. Jise, Obadiah Samuel

"What Role Can Biotechnology Play In Mitigating The Adverse Effects
Of Climate Change On Crop Production?".....120
I. O.Obisesan

Climate Variability For Sustainable Food Crop Production:
Implications For Agricultural Extension Delivery In Nigeria.....137
A. B. Sekumade and S. A. Adesoji

Strategic Feeding Of West African Dwarf (Wad) Sheep With Fat –
Supplemented Concentrate Diets As Means Of Reducing Nitrogen Emission.....149
J.A. Odedire

Genetic Fingerprinting Of Nigerian Population Of *Xanthomonas Axonopodis* Pv *Manihotis*
Using Amplified Fragment Length Polymorphism.....156
Ogunjobi A.A; and Fagade O.E

Extractable Metals And Physicochemical Properties Of Some Southwestern Nigerian Soils.....166
Okoya A. A., Asubiojo O. I. and Amusan A. A.

Climate Change And The Maximization Of Nigeria's Food Resources 177
S.R.A. Adewusi, M.O. Ilori and O. Oluwasola

Seasonal Variability In Production And Availability Of Fish And Fish Products In Rural Nigeria....189
I. B. Oluwatayo, B. W. Olute and A. B. Sekumade

Analysis Of Sequence Homology And Divergence Of Drought Tolerant Genes In Plants 201
Opabode, J.T. and O. A. Akinyemiju

Soil Carbon Dioxide Evolution In Response To Agricultural Land Use 211
Oyedele D.J. and Tijani F.O.

Promoting Sustainable Agriculture In A Perturbed Environment:
The Role Of Science And Technology.....217
Maruf Sanni, A. A. Egbetokun, A.D. Dada, R. B. Muritala and W.O. Siyanbola

Dispelling The "Fallacy" Of Climate Change: Perception And Attitude Of Youths In Ile-Ife,
Nigeria Towards Climate Change. 226
Titilayo Ayotunde, Agunbiade Ojo Melvin

"So That Our Earth Shall Not Die": The Environmental Imagination
Of Niyi Osundare's *Village Voices And The Eye Of The Earth*.....234
Chijioke Uwasomba

Climate Change And Environmental Degradation In Nigeria's Niger Delta:
The Imperative For Environmental Justice As A Comprehensive Policy Framework 250
Sharkdam Wapmuk

Ex-Situ Biodiversity Conservation: Possibilities Of Low-Cost Seed Gene Bank
Operations In South Western Nigeria 261
I. O. Daniel

Determination of some Endocrine Disruptors in a Sewage Treatment Oxidation Pond and a Receiving Stream by High Performance Liquid Chromatography and Inductively Coupled Plasma-Mass Spectrometry 273
N. Torto, A. O. Ogunfowokan, E. K. Okoh, and A. A. Adenuga
