

## Table of Content

Acknowledgments .....	i
Table of Content .....	ii
List of Tables .....	iv
List of Figures.....	v
<b>Chapter 1: Introduction</b> .....	<b>1</b>
1.1 Background.....	1
1.2 Objectives of the study .....	3
<b>Chapter 2: General Review on Tarsier</b> .....	<b>5</b>
2.1 Biology of Tarsier.....	5
2.1.1 Systematics and Distribution of the Genus <i>Tarsius</i> .....	5
2.1.2 General Morphology of the Genus <i>Tarsius</i> .....	8
2.1.3 General Behaviour of the Genus <i>Tarsius</i> .....	9
2.2 Literature Review on Tarsier Ecology and Behaviour .....	12
<b>Chapter 3: Materials and Methods</b> .....	<b>15</b>
3.1 The Species <i>Tarsius bancanus</i> and Subspecies <i>T. b. saltator</i> .....	15
3.2 Study Area .....	16
3.2.1 Belitung Island.....	16
3.2.2 Gunung Tajam Protection Forest and its Environment .....	17
3.2.3 The Study sites.....	18
3.3 Data Collection .....	19
3.3.1 Localization and Capture of the animals .....	19
3.3.2 Biometrical Measurements .....	21
3.3.3 Radiotelemetry.....	21
3.3.4 Habitat Parameters.....	22
3.3.4.1 Tree species.....	22
3.3.4.2 Abundance of Substrates for Locomotion .....	22
3.3.4.3 Insects abundance .....	23
3.4 Data Analysis.....	23

<b>Chapter 4: Results</b> .....	25
4.1 Population Parameters .....	25
4.1.1 Home Range Size .....	25
4.1.2 Nightly Travel Distance.....	29
4.1.3 Population Densities and Population Size .....	30
4.1.4 Body Measurements: Body weight and Head+Body Length .....	32
4.2 Habitat Parameters.....	33
4.2.1 Abundance of Substrate for Locomotion.....	33
4.2.2 Food supply: Abundance of Selected Insects .....	34
<b>Chapter 5: Discussions</b> .....	35
5.1 Home Range size .....	35
5.1.1 Comparison of Home Ranges between Habitats .....	36
5.1.2 Comparison of Home Ranges with Other Studies.....	38
5.2 Nightly Travel Distance .....	41
5.2.1 Comparison of Nightly Travel Distance between Habitats .....	41
5.2.2 Comparison of Nightly Travel Distance with Other Studies.....	42
5.3 Population density .....	45
5.3.1 Comparison of Population densities between Habitats .....	45
5.3.2 Comparison of Population densities with Other Studies .....	46
5.4 Body Measurements: Body Weight and Head+Body Length .....	48
5.4.1 Comparison of Body Measurements between Habitats.....	49
5.4.2 Comparison of Body Weights with Other studies .....	50
5.5 Conservation Status of <i>Tarsius bancanus saltator</i> .....	52
5.5.1 Habitat of <i>Tarsius bancanus saltator</i> .....	52
5.5.2 Conservation Assessment of <i>Tarsius bancanus saltator</i> .....	53
5.5.3 Conservation Implication.....	56
<b>Chapter 6: Summary</b> .....	58
<b>References</b> .....	60
<b>Appendix</b> .....	69
