

4.6.2	Study districts.....	49
5	POPULATION AND AGRICULTURAL LAND USE IN THE VOLTA RIVER BASIN OF GHANA.....	57
5.1	Population of the sub-basins.....	58
5.1.1	Trends in population growth of the sub-basins.....	60
5.1.2	Explanations for the observed population patterns in the sub-basins..	60
5.2	Population density of the sub-basins.....	62
5.3	Annual population growth rate.....	65
5.4	Agricultural land use in the sub-basins.....	66
5.5	Relationship between population size, population density, population growth rate and agricultural land use in the sub-basins.....	67
5.6	Agricultural land suitability.....	70
5.7	Population and agricultural land availability in the sub-basins - 2010.....	71
5.8	Population and agricultural land use in the study districts.....	76
6	EFFECTS OF DIRECT AND INDIRECT DEMOGRAPHIC FACTORS ON AGRICULTURAL LAND USE.....	79
6.1	Land use/cover in the study districts.....	80
6.1.1	Size of farm holdings.....	84
6.1.2	Crops grown.....	84
6.2	Indirect demographic factors.....	85
6.2.1	Educational level of household members.....	85
6.2.2	Occupation of household members.....	87
6.2.3	Electricity as a source of energy.....	89
6.2.4	Household off-farm income.....	90
6.2.5	Household farm income.....	91
6.2.6	Household expenditure on food.....	92
6.2.7	Household affluence.....	93
6.2.8	Farming systems, practices and inputs.....	96
6.3	Demographic factor.....	103
6.3.1	Fertility, mortality and migration.....	104
6.3.2	Household size.....	108
6.4	Bivariate analysis.....	109
6.5	Multivariate analysis and cropped area patterns.....	113
6.5.1	Spatial determinants of agricultural land use.....	113
6.5.2	Spatio-temporal determinants of agricultural land use.....	116
6.5.3	Determinants of agricultural land use in the Volta River basin of Ghana.....	117

7	POPULATION AND FOREST COVER IN THE VOLTA RIVER BASIN OF GHANA.....	119
7.1	Forest resources of Ghana.....	119
7.2	Forest cover in the Volta R iver sub-basins	122
7.3	Relationship between population size, population density, population growth rate and forest cover	124
7.4	Population density and forest cover availability - 2010.....	126
7.5	Indirect demographic causes of deforestation.....	127
7.5.1	Fuelwood as a major source of energy for cooking in households.....	127
7.5.2	Agricultural activities	128
7.5.3	Livestock production.....	129
8	CONCLUSION AND RECOMMENDATIONS.....	130
8.1	Conclusion.....	130
8.2	Recommendations.....	134
9	REFERENCES.....	142
10	APPENDICES.....	159
