<u>CONTENTS</u>	Page
1 INTRODUCTION.....	1
2 MATERIAL AND METHODS.....	3
2.1 Laboratory experiments.....	3
2.1.1 Rearing of the test insects	3
2.1.1.1 Rearing of <i>Panonychus ulmi</i>	3
2.1.1.1.1 Stock culture.....	3
2.1.1.1.2 Obtaining of individuals in the desired stage.....	4
2.1.1.2 Rearing of <i>Typhlodromus pyri</i>	4
2.1.1.2.1 Stock culture.....	4
2.1.1.2.2 Obtaining of individuals in the desired stage.....	5
2.1.1.3 Rearing of other insects.....	5
2.1.1.3.1 Rearing of other prey insects.....	5
2.1.1.3.2 Rearing of other natural enemies.....	6
2.1.2 Experimental procedures for laboratory experiments.....	6
2.1.2.1 Experiments with <i>Typhlodromus pyri</i>	6
2.1.2.1.1 Biology of <i>Typhlodromus pyri</i> at two high temperatures.....	6
2.1.2.1.2 Prey consumption by <i>Typhlodromus pyri</i> at two high temperatures.....	9
2.1.2.1.2.1 Prey consumption by the immatures.....	9
2.1.2.1.2.2 Prey consumption by the adults.....	10
2.1.2.1.3 Prey preference and consumption by <i>Typhlodromus pyri</i> ...10	
2.1.2.1.3.1 Prey preference and consumption by the nymphs.....	10
2.1.2.1.3.2 Prey preference and consumption by the adults.....	11
2.1.2.1.4 Production of scars on apple leaves and fruits by <i>Typhlodromus pyri</i>	11
2.1.2.1.5 Toxicity of pesticides to <i>Typhlodromus pyri</i>	13
2.1.2.2 Experiment with <i>Chrysoperla carnea</i>	15

2.1.2.3	Experiments with <i>Panonychus ulmi</i>	16
2.1.2.3.1	Biology of <i>Panonychus ulmi</i> at two high temperatures.....	16
2.1.2.3.2	Effectiveness of pesticides against <i>Panonychus ulmi</i>	17
2.2	Field experiments.....	18
2.2.1	Seasonal population dynamics of <i>Typhlodromus pyri</i> in apple orchard.....	18
2.2.2	Within-tree distribution of <i>Typhlodromus pyri</i> during vegetation period.....	18
2.2.3	Distribution of different stages of <i>Typhlodromus pyri</i> on individual leaves.....	19
2.2.4	Within-tree distribution and density/twig of <i>Typhlodromus pyri</i> during winter..	18
2.2.5	Fecundity of <i>Typhlodromus pyri</i> during different generations.....	19
2.2.6	Mortality of <i>Typhlodromus pyri</i> during autumn on apple fallen leaves.....	19
2.3	Statistical analysis.....	21
3	RESULTS.....	22
3.1	Laboratory experiments.....	22
3.1.1	Experiments with <i>Typhlodromus pyri</i>	22
3.1.1.1	Biology of <i>Typhlodromus pyri</i> at two high temperatures.....	22
3.1.1.1.1	Embryonic and immature development.....	22
3.1.1.1.2	Longevity.....	23
3.1.1.1.3	Mortality.....	24
3.1.1.1.4	Sex ratio.....	25
3.1.1.1.5	Fecundity.....	26
3.1.1.2	Prey consumption by <i>Typhlodromus pyri</i> at two high temperatures....	27
3.1.1.2.1	Prey consumption by the immatures.....	27
3.1.1.2.2	Prey consumption by the adults.....	28
3.1.1.3	Prey preference and consumption by <i>Typhlodromus pyri</i>	31
3.1.1.3.1	Prey preference and consumption by the nymphs.....	31
3.1.1.3.2	Prey preference and consumption by the adults.....	32
3.1.1.4	Production of scars on apple leaves and fruits by <i>Typhlodromus pyri</i> ...34	34
3.1.1.4.1	Production of scars on apple leaves	34
3.1.1.4.2	Production of scars on apple fruits.....	35
3.1.1.4.3	Apple leaf-fruit preference.....	36
3.1.1.4.4	Size of scars on apple leaves and fruits.....	36
3.1.1.5	Toxicity of pesticides to <i>Typhlodromus pyri</i>	37

3.1.2 Experiment with <i>Chrysoperla carnea</i>	40
3.1.2.1 Prey preference and consumption	40
3.1.3 Experiments with <i>Panonychus ulmi</i>	42
3.1.3.1 Biology of <i>Panonychus ulmi</i> at two high temperatures.....	42
3.1.3.1.1 Embryonic and immature development.....	42
3.1.3.1.2 Longevity.....	43
3.1.3.1.3 Mortality	43
3.1.3.1.4 Sex ratio.....	44
3.1.3.1.5 Fecundity.....	44
3.1.3.2 Effectiveness of pesticides against <i>Panonychus ulmi</i>	45
3.2 Field experiments.....	48
3.2.1 Seasonal population dynamics of <i>Typhlodromus pyri</i> in apple orchard.....	48
3.2.2 Within-tree distribution of <i>Typhlodromus pyri</i> during vegetation period.....	50
3.2.3 Distribution of different stages of <i>Typhlodromus pyri</i> on individual leaves.....	51
3.2.4 Within-tree distribution and density/twig of <i>Typhlodromus pyri</i> during winter ..	52
3.2.5 Fecundity of <i>Typhlodromus pyri</i> during different generations.....	53
3.2.6 Mortality of <i>Typhlodromus pyri</i> during autumn on apple fallen leaves.....	55
4 DISCUSSION.....	56
SUMMARY.....	68
REFERENCES.....	72
