Table of Contents

- Foreword v
- Summary vii
- Acknowledgements..... xi
- Boxes xvii
- Figures xvii
- Maps..... xviii
- Tables..... xviii

- 1 Introduction..... 1**
 - 1.1 Purpose..... 1
 - 1.2 Structure 1
 - 1.3 Methodology 2
 - 1.4 Background to water management in Uzbekistan..... 3
 - 1.4.1 Geographical background 3
 - 1.4.2 The irrigation system 5
 - 1.4.3 Water management 6
 - 1.5 Background to the research idea 10
 - 1.6 Significance of the framework discussion and case study 14
 - 1.6.1 Theory 14
 - 1.6.2 Case study 15
 - Acknowledgements 15

- 2 Framework discussion: Finding a consensus or determining the difference: external factors influencing the creation of WUAs..... 17**
 - 2.1 Introduction..... 17
 - 2.2 What triggered the thinking about IMT? 17
 - 2.2.1 Studies on small-scale irrigation systems 18
 - 2.2.2 Financial constraints 18
 - 2.2.3 Studies on performance of large-scale irrigation systems 19
 - 2.3 Objectives of IMT and WUAs 21
 - 2.4 External factors influencing the success of IMT 23

2.5	From identification to implementation	35
2.6	Critique on IMT	38
2.7	Conclusion	39
	Acknowledgements	41
The physical and basin environment.....		43
3	Open and hidden problems of current and future water distribution in the Amu Darya river basin.....	43
3.1	Introduction.....	43
3.2	Need for IWRM	44
3.3	Background to the Amu Darya basin and the water sharing agreements	45
3.4	Equitable sharing of water resources	49
3.5	Implementation of the 1987 protocol.....	50
3.6	Dispute potentials and dispute resolution mechanisms.....	53
3.7	Conclusion	54
4	Politics of water in Central Asia.....	57
4.1	Introduction.....	57
4.2	The Soviet legacy.....	58
4.3	Post-independence problems.....	61
4.4	Amu Darya basin	62
4.5	Syr Darya Basin	65
4.6	Conclusion	67
The organizational environment.....		69
5	Organizational problems of water distribution in Khorezm, Uzbekistan	69
5.1	Introduction.....	69
5.2	Problems of common pool resources and the institutional skeleton.....	70
5.3	Background to water management in Uzbekistan.....	71
5.4	Background to Khorezm Province.....	72
5.5	Water management problems in Khorezm.....	76
5.6	Consequences of water over-exploitation and lack of control.....	77
5.6.1	The district level.....	78
5.6.2	The province level.....	80
5.7	Conclusion	82
	Acknowledgement.....	83

6	What happens in a merger? Experiences of the State Departments for Water Resources in Khorezm, Uzbekistan	85
6.1	Introduction.....	85
6.2	Understanding organizations and their dynamics	86
6.3	Background to geography and the water management organization.....	88
6.4	Merger: increasing efficiency or decreasing bargaining power.....	90
6.5	Conclusion	96
	Acknowledgement.....	97
7	Informal network utilization and water distribution in two districts in Khorezm Province, Uzbekistan.....	99
7.1	Introduction.....	99
7.2	An organizational approach to network theory.....	100
7.3	Brief geographical background to Khorezm Province and experiences of the drought in an upstream and downstream district	101
7.4	Change of the network structure during the period of water scarcity (2000 and 2001)	104
7.5	Analyses of linkages between managers and hakims	107
7.6	Perception of crisis and network structure.....	112
7.7	Conclusion	113
	Acknowledgements	114
	The social and political environment.....	115
8	Against the conventional wisdom: Why do sector reallocation of water and multi-stakeholder platforms not take place in Uzbekistan?	115
8.1	Introduction.....	115
8.2	Multi-stakeholder platforms.....	116
8.3	Water situation in Uzbekistan.....	117
8.4	The changing organizational setting of the water sector stakeholders.....	118
8.5	Vodokanal and the Vodokanal branch of Khorezm.....	120
8.6	The state and its influence on civil society	121
8.7	Conclusion: why reallocation and multi-stakeholder platforms do not take place	123
9	A little help from my friend? Analysis of network links on the meso level in Uzbekistan	125

9.1	Introduction.....	125
9.2	Methodology.....	126
9.3	Background to case study.....	127
9.4	How to become a shirkat manager?.....	128
9.5	Losing the position.....	134
9.6	Conclusion.....	138
10	Furthering inequality through land reforms in Yangibazar District, Uzbekistan.....	139
10.1	Introduction.....	139
10.2	Livelihood approach and six capitals.....	140
10.3	Background to land reforms and agricultural producers in Uzbekistan.....	140
10.4	Shirkat privatization in Yangibazar District/Khorezm Province.....	143
10.5	Perception of the privatization and the new farmers.....	148
10.6	Conclusion.....	151
	Acknowledgement.....	152
11	Final conclusion.....	153
	Acknowledgements.....	157
	Bibliography.....	159
	Appendix.....	169
